## What is a Yearbook?

A Yearbook is for now —  
To look at and laugh about  
with friends  
And for the future —  
To look back and remember.

The pages record the events  
of the School year  
Our clubs, our winning  
and losing teams,  
Our classes, the  
plays we produced  
And people.

A Yearbook must try to  
capture the spirit of the  
year —  
To find what makes that year  
different from any  
other.

That is why this Yearbook  
is especially for you —  
Because you are the students  
of Alton High,

ITS AUTHORS.

ALTON SENIOR  
HIGH SCHOOL

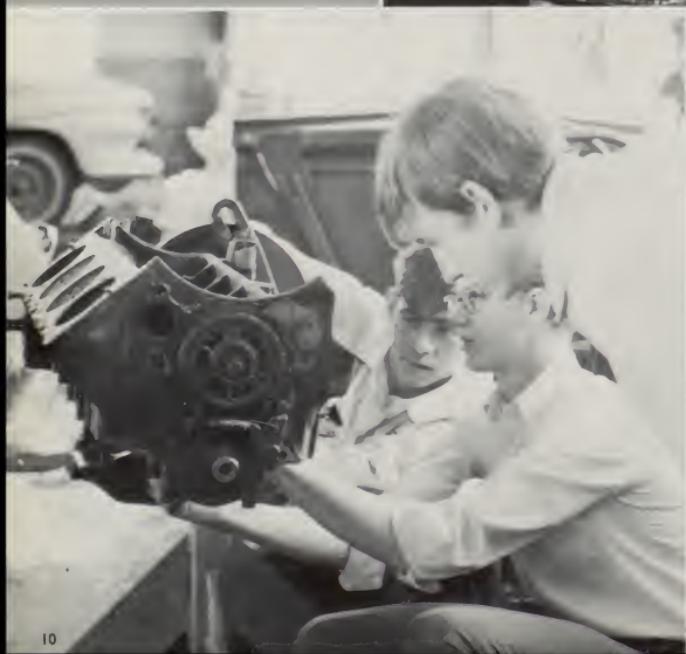

In many  
ways,  
this year  
was the  
same  
as any other.

The main purpose of our year in school was to learn.

*We played seriously,*

and we played for fun.

We produced plays . . .

and we  
took part  
in other  
traditional  
activities.

*It was a year characterized by change*

*As we look at this year and the changes it*

*what the future has*

and we found new activities.

has brought, we can't help but wonder  
in store for us.

## *Administration*

DR. J. B. JOHNSON  
Superintendent of Schools

During nearly 200 years of existence, our country has faced many serious problems. They have been solved, however, because the people have been interested in good government, high moral standards, religion, education, good home environment, and national welfare.

Today our problems concern law and order, integration, and equal opportunities for all citizens regardless of race or religion. These problems, too, will be solved because the vast majority of the citizens of the United States desire what is best for all of the people.

In a few years you must accept responsibility, determine policy, and provide leadership. You must be interested in the future because that is where you will spend the rest of your life. You can make it as challenging or as discouraging as you wish.

What type of world do you want for your family? If you are adequately prepared and willing to participate as an active citizen, the future will be better than the past.

J. B. Johnson, Ed. D.  
*Superintendent of Schools*

MR. E. M. LEAMON, Assistant Superintendent

Good judgment is one of the basic ingredients of success. Those who use it will be our leaders of tomorrow. Those who do not use it will blame society for their misfortune.

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum.

It has been said that an humble person can learn something worthwhile from every person he meets. I challenge you to try it!

MR. C. R. WRIGHT, Administrative Assistant in charge of Vocational Education.

We are living in a world of criticism which needs to be combined with creative thinking for the benefit of our future generations.

# BOARD OF EDUCATION

MR. ROBERT S. MINSKER  
President

This year, you and thousands of other young men and women will graduate from our high schools and universities; and every year, thousands more will follow in your footsteps. As individuals, each of you will have the advantage of a superior education provided by the affluent society in which you have lived and grown up. This advantage of an education did not just happen. It is the result of the hard work, perseverance, and foresight of innumerable men and women of earlier generations. In a very real sense they are passing on to you the learning and knowledge of the past, and they expect you to carry on in the future.

Why have teachers, parents, relatives, and friends provided this opportunity to study and learn? Basically because they know that within a few short years you will run the towns, cities, states, and nation. You will be responsible for the operation of our business, financial institutions, schools, industrial complexes, churches, and social agencies; and will conduct your nation's world affairs. You will have the opportunity to write the great books, innovate ideas, engineer the research, and design and build the great buildings. Lastly, but of greater import, your ideals and your actions will determine whether in the future we have a nation and a world of discord or peace, of want or plenty.

The intelligence, skill, and competence you apply will shape the future for your nation and for coming generations. If your accomplishments are great, the results will be great; never forgetting that this greatness can only be achieved if your basic philosophy and lives include the most important tenets of honesty, integrity, thrift, and meaningful use of time.

MR. HAROLD W. DAVIDSON  
Secretary

DR. DAVID E. BEAR

MR. WALTER B. MILLER

MR. DWIGHT E. RUYLE

MR. J. EDWIN SUNDERLAND

MR. W. H. THOMAS

MR. HAROLD MATTHEWS  
Principal

If the primary business of school in a democratic society is to train students in democracy's ways, then the practice of democracy's ways should have a central place in the curriculum. In essence the curriculum is all the activities of the school. As attested by the contents of this book, there is a myriad of opportunities for students to participate in elections, clubs, and other organizations in which they may learn democracy's ways. Now is the time to learn to actively engage in the democratic processes, for in the very near future you will be determining the course of our nation and our world.

## IN MEMORIAM

### MR. JAMES R. WASHINGTON

Mr. Washington, a dedicated counselor, a coach and a former classroom teacher, passed away in August, 1968, bringing to a close twenty-one years in the Alton School System. His influence will continue to live in the lives he touched. Because of the example he set in living for others, striving always to improve human welfare and to promote wholesome human relations, we who follow should be able to live a little more harmoniously with one another. May we never forget the lessons you taught us, Mr. Washington.

### MRS. JANICE SKAGGS

Mrs. Skaggs, our friendly and cheerful librarian, passed away in March, 1968. Her time with us was too brief. In one year, we learned to love her for her quiet, efficient ways in the library and for her helpfulness in finding that so-difficult, just-right bit of information. Her skills and her ready smile are lost to us, but we shall not forget.

We, the Senior Class of 1969, realize the opportunity of obtaining an education which has been granted to us at Alton Senior High School. Wherever our goals may lead us, we will always keep the high standards and ideals we have received from this school.

Our future success will never be measured by the material goods that we alone achieve, but by the deeds we institute for the betterment of our fellow man.

With our fine training and this goal in mind, we can achieve honor and recognition for ourselves, our school, and our nation.

## 1969 SENIOR CLASS MOTTO:

*Where there is  
an open mind  
there will always  
be a frontier.*

DOUG  
MENDENHALL —  
Senior  
Class  
President  
1968-1969

At last year's graduation ceremonies, Doug Mendenhall, newly-elected President of the Class of 1969, received the cane and chain, traditional symbols of the Senior Class.

Since then Doug has worked diligently to carry out the responsibilities of his office. His first duty was to organize the 1968 Junior Prom. He then led in the development of a class motto, project, and Senior Prom.

A prominent member of the Cross Country and Track teams, an active participant in Student Council, Pep Club, and Lettermen's Club, and a member of National Honor Society, Doug has contributed greatly to Alton High.

The TATLER proudly salutes an outstanding scholar, athlete, and citizen—Doug Mendenhall, President of the Class of 1969.

LONNIE  
BANKS —  
State  
Student  
Council  
President  
1968-1969

Lonnie Banks, this year's president of the Alton Senior High School Student Council, is also president of the Illinois Association of Student Councils. This Association consists of 600 member schools from nine districts in Illinois. In April, he is to preside over the State Convention in Chicago. This past summer Lonnie attended the National Leadership Conference in Estes Park, Colorado. Lonnie also attended the meeting of the National Association of Student Councils in Fort Worth, Texas.

We are proud of Lonnie's achievements and wish him luck in the future.

# PIERRE DUVERNEY —

## Our A.F.S. Student from France

Pierre Duverney-Guichard, who arrived in Alton last August, is living with the Dr. Donald J. Wiebmer family. Pierre is studying English, Russian, international relations, and geography at Alton High and is learning the American way of life.

Pierre's visit is under the sponsorship of American Field Service Club. We at Alton High hope that Pierre has had a profitable and enjoyable year with us, and will return to his home with many happy memories.

American food is well liked by Pierre.

Pierre plays the piano quite well.

I wonder if she likes me?

Mr. Matthews helps Pierre with a problem.

# Our A.F.S. Student from Thailand — **YERN SRIWORAKHAN**

This year Alton Senior High School is proud to welcome Yern Sriworakhan from Patumthani, Thailand. Yern is staying with Mr. and Mrs. John D. Schweitzer and will remain in the United States for one year, studying and learning our way of life.

The American Field Service is sponsoring Yern's visit to the United States. We want to thank everyone who has contributed to this program and we hope the theme of A.F.S. will spread throughout the world: "Walk together, talk together, all ye peoples of the earth, then, and only then, shall ye have peace."

Yern decorates for Christmas.

Yern's American family observes a game from Thailand.

Yern studies American history.

Yern arrives at a Student Council meeting.

Yern learns how to catch an American girl.

Discovery! Yern finds the missing link.

# Our Exchange Student From France — **FLORENCE JAUPART**

We were privileged to have Florence Jaupart from Paris, France attending Alton High last fall. She stayed with the Dr. Robert Anschuetz family. At Alton High, she studied biology, international relations, and world literature. Some of Florence's interests are skiing, tennis, going to the movies in America. Her favorite food was corn on the cob.

Florence returned to Paris in October to begin studies at medical school in order to become a doctor. We wish her every success in the world and hope that she will return to the United States in the future.

Florence takes a break.

I only want one bottle.

Florence examines a teenager's friend.

That French perfume works every time!

## KURT KILLAM — Our A.F.S. Student to Ecuador

Kurt Killam, the president of the American Field Service Club, was privileged to participate in its Americans Abroad Program last summer. Kurt lived with the family of Augusto Hidalgo Romero in Quito, Ecuador.

Kurt's experiences in Ecuador have broadened his understanding of people all over the world.

Congratulations, Kurt, on this great honor!

## National Scholarship Service and Fund for Negro Students

# South Pacific

South Pacific is based on the Pulitzer Prize winning book, *Tales of the South Pacific*, by James A. Michener. The show features music by Richard Rodgers with lyrics by the late Oscar Hammerstein II.

Action takes place on two islands in the South Pacific during World War II. Two romantic themes are prevalent in the story. Most important is a love affair between a young Navy nurse and a middle-aged French planter. The secondary romance features an American Marine and a young Tonkinese girl.

The play was performed before four near capacity crowds in the high school auditorium and received an enthusiastic reception.

"Younger Than Springtime!"

"Take grass skirt home to sweetheart in Philadelphia."

"Your grass skirts are causing an economic revolution on this island."

"Listen, you can hear the call of Bali Hai."

MISS SUSIE HEITZ

Miss Ann Barocca

Miss Patty Bernard

Miss Bev Crader

Miss Judy Grover

Miss Bennetta Mitchell

Miss Debbie Stauffer

The theme of our Junior Prom was "Bonnie and Clyde." The setting was enhanced by having the band, "Good Feelings", playing in a jail, the refreshments served in an old tavern, and Bonnie and Clyde murals.

Doug Mendenhall, our Master of Ceremonies, announced the Dream Girl and her court. Miss Ann Barocca was escorted by Roy Parker; Miss Patty Bernard was escorted by Larry Rowse; Miss Bev Crader was escorted by Scott Davidson; Miss Judy Grover was escorted by Mike Crivello; Miss Bennett Mitchell was escorted by Charles Bruce; and Miss Debbie Stauffer was escorted by Gene Forrester. Miss Susie Heitz, our Dream Girl of 1968, was escorted to her throne by Mike Grady.

"Congratulations, Susie."

## CHAMPIONS OF THE WEST

On July 25, the Alton High Instrumental Music students and their chaperones, numbering 214, boarded six Gulf Transport Buses and began their Western trip to Denver, Colorado Springs and Cheyenne.

In the five days of their trip, the students visited the Red Rock Theatre, the Royal Gorge, the Air Force Academy, and were guests at the Frontier Days Rodeo.

The Band marched to victory in the Frontier Days Parade in Cheyenne, Wyoming, proving, as they had three years ago, that they were the best in the West.

The trip was concluded with a combined band and orchestra concert in Greeley, Colorado. The students returned to Alton on July 30.

How did a TATLER photographer get out here?

Gee, I hope Mommy didn't forget my Teddy Bear.

It's the "Funny Company."

Maybe they'll let us have cuts.

Maybe we're too early.

I heard the sun sets in the West, but this is RIDICULOUS!

# BASEBALL

Middleton with a smash

The Alton High baseball team compiled its greatest regular season record last year. Under the direction of Coaches Tyler, Macias, and Yonkus the team won 25, lost 5, and tied 1. It was the first year that an Alton High team had won the Southwestern Conference title without sharing it. Alton's key to success last year was pitching. The pitching corps consisted of Gary Hagen, 9-1; Rick Reidt, 7-1; Gary Breuchaud, 5-2; Scott Davidson, 2-0; Randy Bailey, 1-0; Dan Cawley, 1-1; and Bob Perica, no decisions.

Alton moved into the District Tournament at Wood River as the favorite. The Redbirds won their first two games over cross-town rival Marquette, 9-4 and Civic Memorial, 9-7. Then, despite a hard effort, the Wood River Oilers defeated our Redbirds in the championship game, 6-4.

The TATLER Staff would like to thank the team and the coaches for the winningest baseball season in Alton High's history.

# GOLF

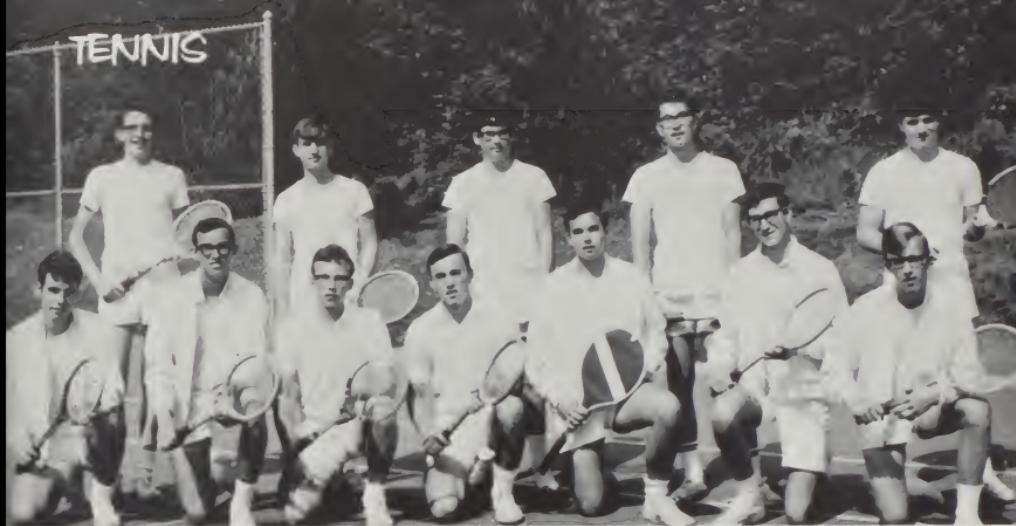

Mr. Montague, John Fischer, John Tonsor, Milton Wiseman, Don Schroeder, Mike Duckels, Dennis Manns, Tim Wickenhauser, Paul Springman.

The Alton High golf team had an excellent season last spring. Guided by Mr. Montague, last year's team compiled a 25 win and 1 loss record in dual meet competition. Our only loss was to Belleville West by 2 strokes. In the state golf meet in Champaign our Redbirds finished fifth. This is a great accomplishment since Alton was the only Southern Illinois team represented at the state meet.

The TATLER Staff wishes to congratulate Mr. Montague and the golf team on a very fine performance.

# TENNIS

Row 1: Van Harden, Jack Groppel, Bill Wicks, Dave Livingston, Charles Godfrey, Geoff Yust, Lance Steinmann.  
Row 2: Tim Paetz, John Brueggeman, Greg Riccardi, Kim Barnett, Ned Green.

Last year's tennis team compiled a 12 win and 4 loss record. The Redbirds opened the season with an impressive win over Edwardsville. Success did not last long, however. Our Birds lost two in succession to Collinsville and Granite City. Following these disappointments, the team won six straight matches. After narrowly defeating Belleville East, they gave outstanding performances in the matches against Trenton, Roxana, Western Military, Edwardsville, and Collinsville. The team lost its next two matches to Granite City and Belleville West. The season was completed in winning fashion by taking matches from Roxana, Belleville East, Trenton, Belleville West, and Bethalto.

Outstanding individual records of last year's tennis team were Jack Groppel, 18-4; Geoff Yust, 16-5; and Van Harden, 16-5. The TATLER Staff would like to congratulate Coach Sterrett and the team on a fine performance.

Harden returns.

The '68 track squad kept the winning tradition at Alton High last year. The team won six out of ten meets and placed third at the State Meet. East St. Louis, our traditional rival, experienced a down season last year. Their place was taken by Lincoln of East St. Louis. In almost every meet between Alton and Lincoln, the lead was determined by the last event.

The season opened with the Alton Invitational. Twenty-seven schools participated in this spring spectacular. Lincoln beat us by one point, placing second in the final event, the mile relay. Alton took revenge for their loss to Lincoln by taking the Mineral Area Meet. Our team set three records; Holmes tossed the shot 56' 2 $\frac{1}{4}$ "; Avery Wallace leaped 23' 5 $\frac{1}{2}$ " in the long jump; and Chris Madson soared 13' 1 $\frac{1}{2}$ " in the pole vault. Alton swept the next three meets in convincing fashion. The Birds won the Conference Relays, Centralia Relays, and the County Meet. Avery and Oscar Wallace set state records at the County Meet in the long jump with 24' 7 $\frac{1}{4}$ " and 24' 6 $\frac{1}{2}$ " respectively. The Alton team placed 2nd behind Lincoln in both the East St. Louis Relays and the District. Alton qualified eight individuals for the State Meet.

In the State Meet, Alton placed third with 14 points. Avery Wallace placed first in the long jump with a 23' 5" leap. Oscar Wallace placed second in the same event with 23' 2 $\frac{3}{4}$ ". Frank Holmes placed second in the shot with a heave of 57' 1 $\frac{1}{2}$ ". Congratulations, men, on a fine showing.

The track team completed the season by winning the Conference Relays. The squad took six of the fifteen events. The TATLER Staff congratulates the team and Coach Wigger for an outstanding effort.

The Coaches

The Alton harriers finished the '68 cross country season with a 4 win and 1 loss record in dual meet competition. The team was led throughout the season by Captains Kidwell and Mendenhall. Our runners finished second in the Southwestern Conference and second in the District Meet at Columbia.

Alton opened the season by beating Collinsville in their first dual meet. This win was followed by disappointing losses at the Kirkwood Triangular Meet and the Edwardsville Invitational. The Redbirds came back to beat Hazelwood and Wood River in successive dual meets. The squad faced Belleville West, the leader in the Conference, and lost to the overpowering Maroons. Alton traveled to Peoria to place fourteenth out of 38 in the Peoria Invitational. Our runners then placed sixth in the tough Beaumont Invitational and won over Mascoutah in a dual meet. We placed second in the next two meets, the Southwestern Conference and District Meets.

Other outstanding individuals for the varsity were Paul Miller and Dennis Carroll. Elijah Burgess, Andy Cannon, and Greg Bode headed the talented juniors of whom we can expect better things to come next season. Congratulations to the team and Coaches Wigger and Middleton on a successful season.

# FOOTBALL

This year's football team continued its winning ways with a 9-0-1 undefeated record. The seniors on the team have never been beaten: as sophomores they were 9-0, and as juniors they were 3-0. The Redbirds established their first unbeaten season since 1939, and accomplished the school's first undisputed Southwestern Conference championship since 1935. The offense rolled up 350 points while the defense allowed 103 points to the opposition. The offensive output was the most by any St. Louis Metropolitan Area team.

Alton had no real difficulty in its first two games; they convincingly ran over Quincy and Marquette. The East St. Louis Flyers dominated the first half of our third game only to have Alton come alive for 25 points to win. The next three foes, Granite City, St. Louis U. High, and Edwardsville, fell before our Birds by six touchdowns. Our chance for an unblemished record was ruined by a hard fought 6-6 tie with Belleville West. The Redbirds then beat Collinsville, Wood River, and Christian Brothers College in three tough games to finish the season with an unbeaten record.

The 1968 Redbirds were rated number one in the St. Louis Metropolitan Area and number six in the state. This team will be remembered for many years to come as one of the greatest teams ever produced by Alton High. The Alton Booster Club, Pep Club, and student body should be commended for their enthusiastic support throughout the season.

Congratulations to Coaches Ed Yonkus, Norman Iman, Gary Brandt, Ray Thorpe, and the whole football team for one of the greatest seasons ever.

Defensive line rushes the passer.

Hardimon springs for the rebound.

The 1968-1969 Redbirds opened this year's basketball season with a disappointing loss to Mount Vernon, 64-59. The Redbirds' lack of overall experience up front game the Rams of Mt. Vernon the edge. Our Birds fought for a 61-55 convincing victory over O'Fallon in the following game. The Redbirds lost their next two games to Edwardsville and Jacksonville in close, hard-fought games. In our final game before the Carbondale Holiday Tournament, the Redbirds beat Wood River, 73-61.

At Carbondale, the Redbirds finished a surprising third place. They accomplished this feat by beating West Frankfort, 62-60; Mount Vernon, 64-50; and Collinsville, 78-63. Their only loss was at the hands of a strong Decatur Eisenhower team, 83-78, in the semi-final game. Congratulations, team, for an all-out effort!

Alton resumed Conference play in Collinsville January third, and the Redbirds emerged victorious again, 80-70. In a non-conference game with Mater Dei the following night, Alton won, 75-70, with reserves playing most of the game. Alton beat Belleville, 83-65, and lost to Granite City, 65-55. Our record is now 8-5 overall and 3-2 in conference. On behalf of the student body, the '69 TATLER Staff wishes continued success to Coach Sterrett and the players for the remainder of the season.

## EDITOR'S MESSAGE

To the students of Alton High:

The past year at Alton High has been a year with an exciting new spirit. This spirit has shown itself in many ways: increased enthusiasm at athletic events, new activities for more of the students, high participation in old activities, and a generally more friendly, relaxed atmosphere.

The 1969 TATLER Staff has tried to capture the spirit of the year in this book. I hope that we have done this, and that you will be able to look back in this TATLER many years from now and remember many happy events at Alton High.

This year's TATLER Staff has done a great job in producing this book, and I would like to thank each member for his contributions. I would like to give special recognition to Jeanie Webb and Cindy Bechtold, the Co-Editors, and to Mr. Livengood, our advisor. Without Jeanie and Cindy, this year's TATLER might not have been finished, and without Mr. Livengood, the TATLER would have never reached the level of excellence it holds today.

# Thanks to our Advertisers

We of the 1969 Tatler Staff wish to express our appreciation to our advertisers.

To many people, the yearbook is an enjoyable collection of events and pictures of the year; to the Tatler Staff, however, it is a responsible, expensive business.

As a result of the co-operation of the advertisers, the staff has been able to produce another fine book.
